Yesterday's Dreams, Tomorrow's Realities . . . All a Part of What Today Will Bring

A. One of the many beautiful houses of yester-year stands for everyone to admire. B. Ken Johnson accepts the Bicentennial flag for O.G.H.S. C. Escondido's old Railroad depot. D. The American flag waving in the wind. E. An old sleigh stands waiting before a house for its time. F. Escondido's old school house stands secluded at Grape Day Park.

You Are a Child of the Universe . . .

Thinking back on the days gone by you get a vision of fun, gaiety; laughter and parties. This wasn't necessarily so, as there was a lot of hard work involved in making a good life for not only yourself but also your loved ones. Today, we, the leaders of tomorrow, also strive to build ourselves a satisfying life, filled with the pleasures and hardships of being your own leader; having your own independence to declare, not only to yourself but to the world.

A. One of the many skills of days gone by is demonstrated by hand with leather. B. A women sits peacefully spinning silk. C. A young man shows his own individual interests. D.

Heather Dimon and friends on "Hat Day". E. Mr. Ross giving a good-bye and good-luck speech to the graduating seniors. F. At lunch students gather to watch the 50's Day Dance.

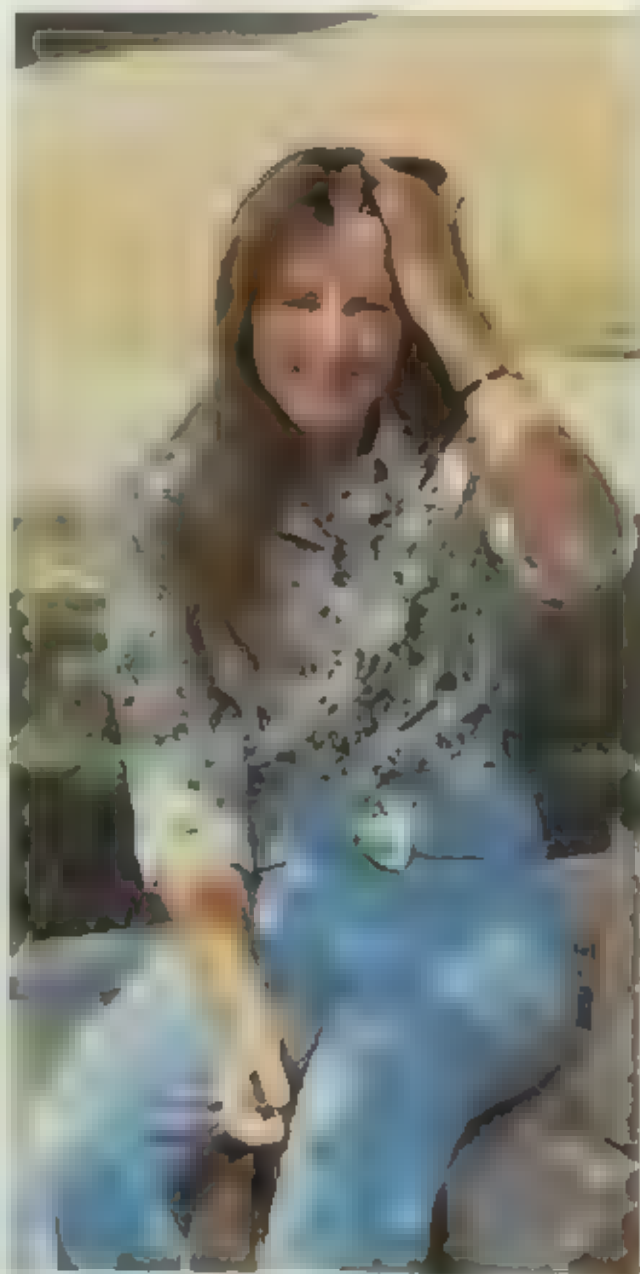

No Less Than the Moon or the Stars

You Have a Right to Be Here

When we have all graduated and gone our own ways, we will wistfully look back on our high school days and reminisce of the fun we had. The dances, games, and just the plain excitement of being together with your friends was more than anyone could ask for; and yet, as soon as it all started, the fun seemed to gradually begin to drop off as we began to prepare for the day of graduation.

We each will go separate ways, growing and striving to meet the challenges of life; and yet there will be a change, as we turn more to helping ourselves be better individuals and to finding our own personal goals in life.

A. George Castellanos and friend fight out their differences. B. George Castellanos gazes intently at the surroundings around him. C. Students take a break during

the "Graffiti Day Dance." D. Lucia Cornicelli pauses before going to her next class. E. Students freezing as the Ice-Melting Contest goes on.

Administrators at Work

A Day in the life of a principal includes many tedious duties. Paper work must be completed, with time to spare for disciplinary actions and other student needs.

During fourth and fifth period lunches, Girls' Vice Principal, Ruth McKnight, was seen making her rounds throughout the lunch area. She watched for signs of mischief and conversed with faculty and student body members.

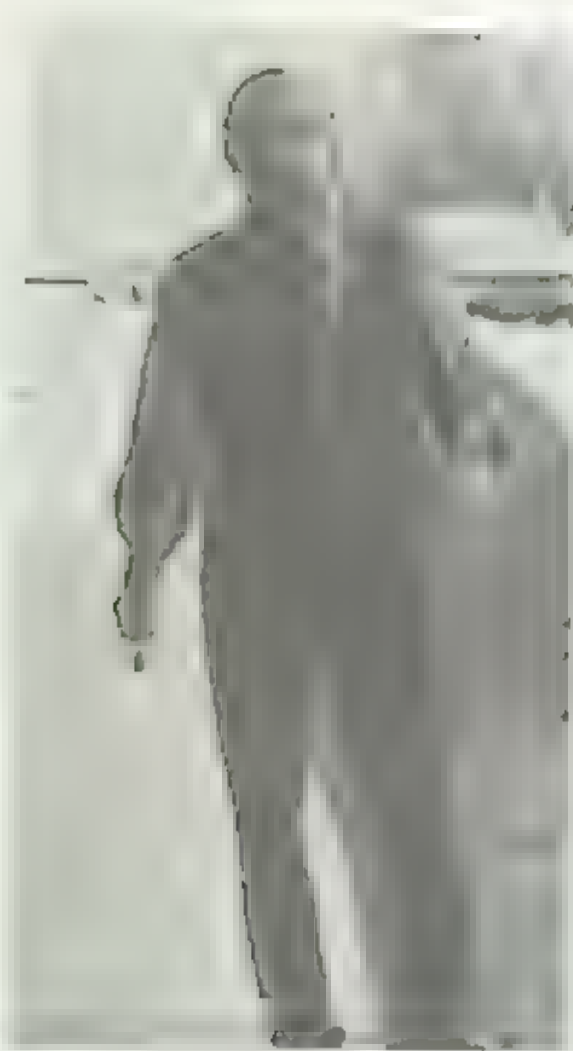

Charles Leaf, Boys' Vice Principal, spent many lunch hours in the student parking lot reminding students that the "open campus" bill had not yet passed.

Principal Patrick Ross had a very busy schedule every day. Between phone calls and conferences, time had to be made for things such as yearbook pictures and signing important documents.

By talking with people and seeing to their problems, the authorities improved student life for many who attended Orange Glen High School.

A. Mr. Leaf chats with friends during lunch. B. Mr. Ross signs several documents throughout the day. C. Mrs. McKnight makes a point during a conference. D. A See's Sucker isn't much nourishment for a principal. E. Mr. Leaf acknowledges a visitor.

Costumes Help Show Off Faculty

On October 31, the faculty and students at O.G. showed their spirit by dressing up in Halloween costumes. At times it was frightening to see a bush moving down the halls, and a taco walking through the crowds of people, but underneath it all was a teacher or student. The faculty at O.G. not only had showed their spirit in "Dress-Up-Days" but also in all of the Student-Body related functions.

A. Ms. Millburn alias "Merlin the Magician" strolls across the campus. B. The gang gathers for a picture.

Custodians: Enjoyable People

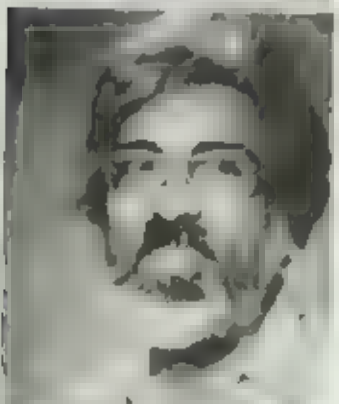

Tony Ruiz and his staff of 10 men do many things for Orange Glen. A few daily tasks include mowing lawns, liming fields, setting up stands for assemblies, cleaning rooms, and picking up garbage. But let's not make the job sound boring. Working near students couldn't be! Opening lockers with lost combinations, repairing lockers that blew up, and dragging sports equipment to the field ARE back-breaking, but interesting...just ask a custodian!

Friendships Grow With Changing Ways

A new experiment was used this year for the ASB. The Senate; a new branch, was set up to find out whether the dividing of the ASB into more sections would give the students a better opportunity to express their wishes and to be able to do more things. This proved to be a successful plan and will continue on through next year.

The ASB is important to the student-body because it is the link between the faculty, students and the administration. It also sponsors the memories for many Orange Glen students in the form of the Yearbook and the Newspaper; both of which are partly funded by the ASB.

A. Leaders of the Associated Student Body-L to R: Ken Johnson-Treasurer; Steve Hudson-President; Pat Carmichael-Vice-president. B. A group of the many ASB Senators. C. ASB Cabinet-Front Row, L to R: George Castellanos, Pat Carmichael, Jennie LaVine, Jeff See-Korchi, Carol Kapusnik, Terri Decker, Carol Rossi, Jean McNett. Back Row-L to R: Mark Harrington, Brad Peterson, Halley Johnson, Carol Bettys, Linda Kapusnik, Heidi Roberts, Debbie Watson, Gloria LaMont. D. Some of the class presidents and vice-presidents, with Senior class president George Castellanos standing over them.

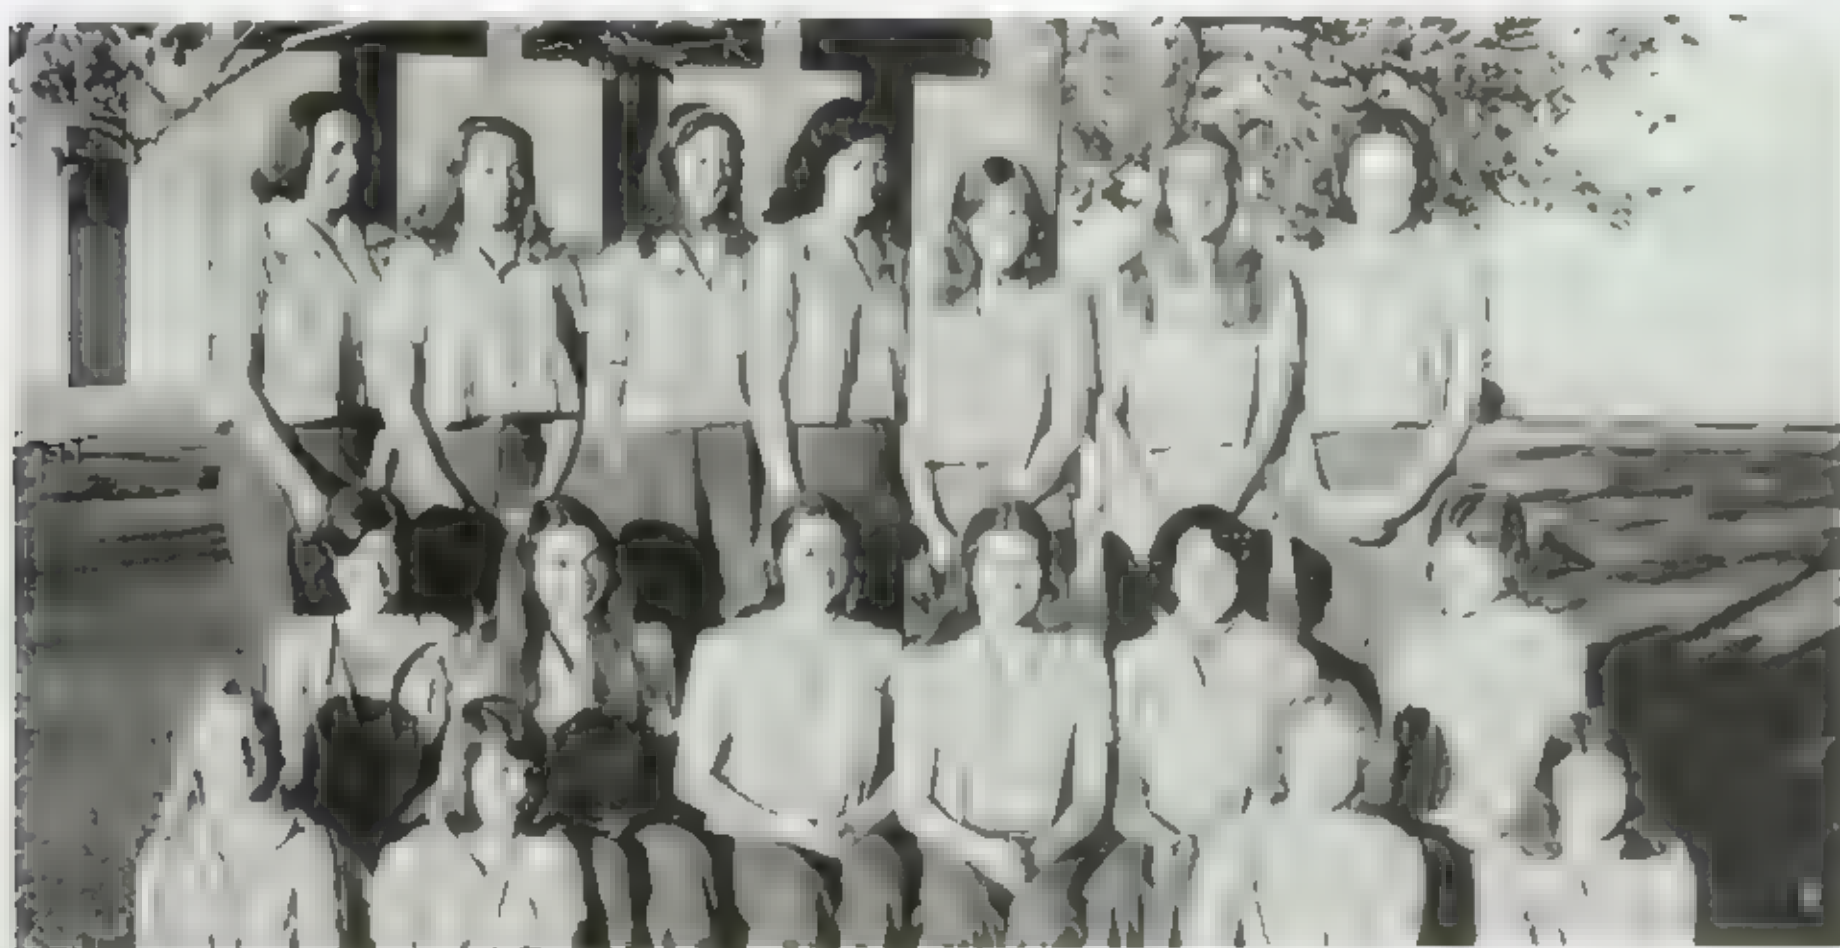

The club is headed by Steve Hudson-President. Pat Carmichael-Vice-President; Terri Decker-Secretary; and Ken Johnson-Treasurer. It is advised by Mr. Jordan See. The club hosted the Homecoming ceremonies and dance along with many other worth-while projects.

At the beginning of the year, an ASB card could be purchased for eleven dollars. This provided the students with free admission to all of the football games, dances and sporting activities. It also supplied students with a free yearbook at the end of the year. Thanks to the ASB, Orange Glen is a more pleasant place to get an education.

The Key Club was again active this year by serving the community and helping out in school events. Some of these events were: driving cars for the Christmas parade, helping as guides for back to school night, and participating in the White Cane sales sponsored by the Lions Club. The club is advised by Mr. Fred Georggin and presided over by Gary Olvaney. The Sweetheart for this year was Jean McNutt.

Cheerful and enthusiastic were the key words for describing the Deltons this year. The various funds for the Sadie Hawkins Day Dance and the Children's Christmas party were raised by selling Valo-grams and working during the wrestling matches. Some of the events participated in were the graduation and Baccalaureate ceremonies, and Back-to-School night. The group is limited to juniors and seniors and is presided over by Beverly Elrod.

Clubs Form Unity Within

"Dedicated" was the main description for the Deca club this year. Funds were raised for attending the state and county conferences, disabled veterans, career seminars and many social events by working in the concession stands and selling candy. The club's main goal was to gain retail and marketing experience. There are 35 members and each semester, new officers are elected.

Enjoying the outdoors and its many activities was the Ecology group's goal this year. Some of the field trips included going places such as Palomar Mountain, hiking, and over-night camping trips. The various funds which were raised for these trips included such activities as bake sales, and car washes.

O.G. NJROTC Strives to Achieve Excellence

During the third year, the Naval Junior Reserve Officer Training Corps Unit had a total strength of 106 boys and girls, including several cadets from Escondido High School. The purpose of this unit is to help high school students improve their leadership abilities and to gain a greater understanding of the military as a possible career. Activities for the unit during the summer of 1975 included two one-week cruises aboard Navy warships and a week of amphibious training with the Marines at the Naval Amphibious Base, Coronado.

One of the many activities in the NJROTC Program.

The academic year afforded numerous field trips to local military installations and a one week mini-boot camp at the Recruit Training Command, Naval Training Center in San Diego.

New Challenges Accepted Cheerfully by Clubs

Enjoying each other's friendship was the leading characteristic of the French Club this year. Funds were raised by selling candy, working in a gift wrapping booth and a dance. These funds went towards the annual trip over Easter vacation. The club has 75 members, with Bob Buchner as President, and Ken Johnson as Vice-President.

The main goal of the Spanish Club this year was to get students together who were interested in Spanish speaking cultures. The club went on various field trips, including the planned trips to the Ramona Pageant and a Bull-fight. The group also participated in donating various materials to Project Hope. There are 30-35 members and the president is Frixie Hicken.

CSF—A Rewarding Experience

To encourage and reward academic achievement was the main goal of the enthusiastic CSF Club this year. Their purpose: to inspire academic excellence in every boy and girl. Each year the club takes two "Honor Day" field trips to knowledgeable places. The funds come from the monthly dues and are used to pay Chapter dues and for scholarships.

There are approximately 143 members, and the club is presided by Beverly Elrod—President, and Mrs. McKnight, Adviser.

Patriotism Displayed With True Spirit

Spirited and shining with Patriotism was the Orange Glen High School Banner Corp, Flag Corp, and Mascots this year.

The Patriettes marched their way through parades and sweepstakes and received many honors.

The girls put forth real effort as they helped to send our band to Philadelphia to kick off our Nation's Bicentennial Celebration.

The Patriettes will accompany bands and choruses from all over California on the California Cavalcade of Bands trip back East this Summer.

D. California Cavalcade of Bands.

The vigor and zeal of the Orange Glen High School drill team shone through many parades and events. The girls participated in seven parades, and placed first in the Hawthorne and Anaheim parades, third in the Santa Monica parade, and took sweepstakes in the Escondido Christmas Parade.

Kady Evans (captain) along with Lori Manoli and Diane Putis (Co-Captains) kept up the spirits of the girls through triumph and loss. They learned not to be over-confident, for "You cannot always win." The girls main goal for this year was to learn from each other and always try to do their best.

The girls had a great year.

Steady Work Brings Rewards for Musket Staff

Steady work and constant challenges in order to prepare a better paper every week were two ways to describe the Musket staff this year. The staff consists of 12-15 hard-working members who get "on the job" experience in putting out and distributing a school paper. Future trips are planned for the Times Advocate, San Diego Union and writing contests. The funds raised by Sales Advertising and a percent of the ASB Cards were used for photo supplies and printing. The Musket had two very determined editors this year: Lisa Kerbs-first semester and Jim Wennerstrom-second semester. Mr. Galen Kuehnast was the adviser.

A. 1975-76 Musket Staff with Advisor Mr. Galen Kuehnast (Center-Back Row), first semester Editor Lisa Kerbs (Front Row-Far Left), and second semester Editor Jim Wennerstrom (Front Row-Center). B. Beginning Journalism I class, first semester.

Challenging Year Set by Torch Staff

Starting out the year with ten members on the Torch Staff proved to be quite a challenge for everyone involved. Staying after school and giving up other activities, working rapidly as the advisor Mr. Galen Kuehnast stood by, and helping each other out were only some of the several activities that were involved.

The new year saw Tamara Howard as the Torch Editor with previous experience behind her, such as two years as a staff member and one year as Assistant Editor. Thanks to Tam, the staff knew what to do and worked enthusiastically toward achieving their goals.

Added to the Torch Staff at the semester were Virginia Kansas and Jim Puerner.

Clubs Gain Strength Through Acquaintances

Earning money for a scholarship to send a well deserving Indian and Mexican student to college was the main goal of the lache club this year. Some of the various funds in which the money was raised were car washes, bake sales, dinners and participating and having booths at fiestas. Another goal of the group is to unite Indian and Mexican students, and to help each other with any problems they may have.

Starting out new this year was the Native American Club. To achieve unity as a group and to have a basic understanding of their culture and background was the main goal for this year. The advisor is Mr. Forrest Boren.

A. Native American Club; Front Row, Left to Right: Darla Romero, Marc Pateneau, Denette Romero. Back Row, Left to Right: Lisa Hernandez, Veronica Gonzalez, Gloria Martinez. B. Back Row: Daria Mason, David Holden, Ken Estep, Kathy Lindegren, John VanWart, Matthew Mayberry, Mary Stubbs, Robert Sawyer, Julie Valentine, Paul Dixon.

Music: Harmony With Perfection

Practicing hard and working towards the goal of perfection was the O.G. Chorus directed by Dan Harrison. The Chorus performed many concerts, including a Christmas and Spring show. They also participated in Baccalaureate ceremonies and will accompany the Calvacade of Bands on their Bicentennial tour this summer.

Perfectly balanced and in harmony was the Modern Chorale this year. The choir sang for various events throughout San Diego County and performed with the Band in Washington D.C. after the Philadelphia appearance in January. The group will also participate in the Calvacade of Bands this summer.

Enthusiasm Displayed for Bicentennial Year

The year was busy with various activities for the Orange Glen H.S. Band this year. Marching and playing for band reviews, parades, halftime shows during home games of basketball and football, pep assemblies and graduation ceremonies were some of the many activities in which the band participated. The sweepstakes in which the band won were in Santa Monica, Hawthorne and the Escondido Christmas Parade. The band also placed first in Fallbrook and Anaheim, and was the Honor Band at the Autumn Band Review.

One of the major events this year was the trip to Philadelphia on New Year's Eve to participate in the ceremonial moving of the Liberty Bell. This movement officially started the Bicentennial year.

A. The O.G.H.S. Band Mascots, ready to participate in the ceremonial moving of the Liberty Bell. B. The Banner Corps awaits instructions to proceed. C. The Orange Glen H.S. Mascots, Banner Corp, and Flag Corp during the moving of the Liberty Bell in Philadelphia on New Year's Eve. D. The Orange Glen High School Band plays various patriotic tunes during the moving of the Liberty Bell.

The entire band will travel to Philadelphia this summer to participate in the celebration of the 1776-1976 Bicentennial Year.

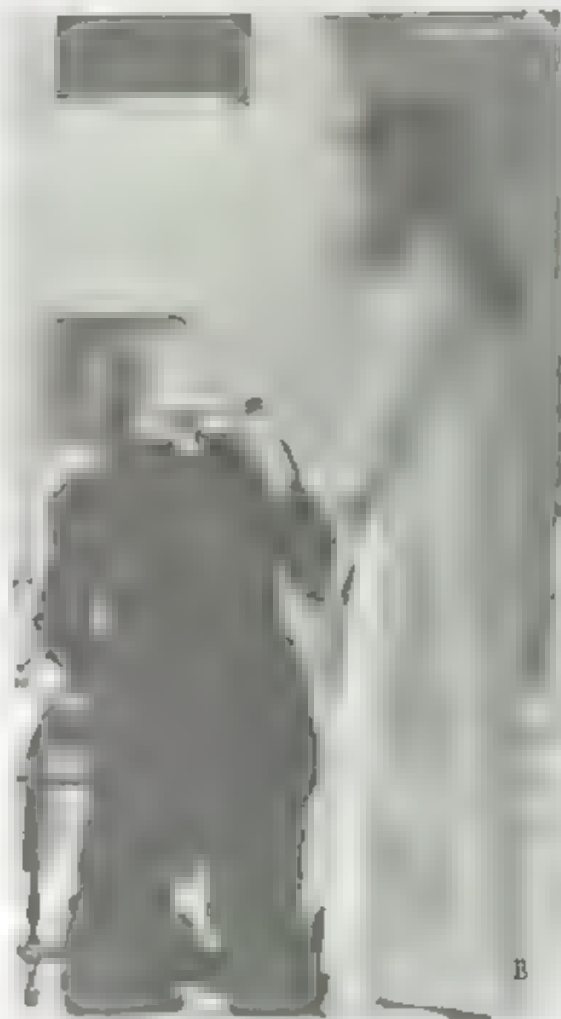

Various funds were raised by selling discount coupon books, bicentennial kits, donations and concerts. These funds were used to pay for travel expenses, new uniforms, tuning equipment, music and miscellaneous expenses.

There are 115 students involved in the band, including Banner Corps, Flag Corps, and Mascots. During Marching Season (September-December) practices are held two times a day, five days a week. The band is under the direction of Drum Major Dennis Cavitt and Music Advisor, Mr. Dan Harrison.

Creativity Expressed by Drama Members

The Drama Club is a group of 40 to 50 enthusiastic members who are interested in acting. Their purpose is to support the productions by the drama department. They earn funds from the profit which they make from shows, and by having car washes. These funds are used for show production and field trips. The Drama Department has visited the San Diego State theatre and the Old Globe Theatre. Their future plans are to build their production budget, and to generate interest in the theatre. This talented club is presided by Mary Jauregui.

New Groups Spark Interest at OGHHS

Starting out the year in a very formative state was the Mountaineering Club. The club's main purpose was to provide an interest for the students, to develop the basic mountaineering skills and to provide reinforcement of areas such as P.E., Sciences, Geography, Leadership and Health and Safety.

Exciting and successful were the key words to explain the new Young Life Club this year. The club is open to all young people of all races and religions who like to get together and have fun. The club is designed to reach the un-churched young person, and to help the committed teenager to clarify and make more vital his own faith. Meetings are held once a week at one of the member's homes, and trips are planned for winter and summer camping with occasional "get-togethers" also.

Strength Gained; Fun Shared

Starting out the year with the study of authors such as J.R. Tolkien and C.S. Lewis and exploring literature by means of fantasy was the main purpose of the Fantasy Literature Club. The group consisted of 13 to 17 members with Phil Drenth as President. One of the club's goals was to put out a monthly paper called the "Malamrum", which consists of contributions of poetry, short stories, art-work and comments from interested students.

One of the strongest debate teams in the North County belongs to the OGHS Forensics Club. This club is made up of 14 members who travel from school to school to participate in Debate Tournaments. The funds which are earned by bake sales and car washes were used for the Debate Tournaments. The purpose of this club is to further the art of argumentation and debate at OGHS.

Creative Talents, Ideas Combined

Having original ideas, creative talent and effort and combining these skills into one club was the goal of the Frantic Film Club this year. The club made films, attended film festivals and bought new equipment with members dues. There are approximately fifteen members to the group. The president is Mark Monroe.

A. The Frantic Film Club. B. Members of the Frantic Film Club decide on picture to be made.

Enthusiasm Displayed in '76

The "75-76" cheerleading squad started out the same as most with 6:30 practices on hot summer days. Car washes, bottle drives, bake sales, etc. were held to raise money. Oranges, ice and watermelon were given to hot and tired football players during two-a-days. Towards the end of the summer, the squad attended the International Cheerleading Foundation's clinic at Cal-Poly, Pomona. There they won 1st, 2nd, and third place ribbons and placed third in overall competition with the entire camp. The "Firecracker" award was also earned by them for having the most spirit.

During the year, the cheerleaders supported all of the sports and gave breakfasts, cookies, candy bars and decorated the team room. It was also their job to promote spirit throughout the school, and this was done through spirit week, hush-button days, pep rallies and various other activities. But the main idea was to have fun, and that is what this year's squad did most.

Red, White and Blue Power

Good Days—Bad Days

After dropping their first four league games the Pats came back, not to lose their last three games.

With a back field of Jim Colvin, David LaPlante, Tommy Childs and Mike Schryver, the Pats were strong enough to keep a game close offensively.

Defense was strong with a line that always gave pressure and a secondary that was tough. With West, Childs, Eddins and Greenlee, the opponents never enjoyed throwing the ball.

Going into league play the Pats were 1-1. After dropping their first game to rival Esccondido, 28-6, the Pats continued to drop the next three to San Marcos, 28-41; Vista, 6-28; and Oceanside, 30-3. Then, after the purging of the "old spirit" the Pats hammered San Pasqual, 37-17; tied Carlsbad 14-14; and took a tough Fallbrook team, 14-8, to end the best season in three years for the varsity squad.

1976 Homecoming With Spirit and Color

A stir of excitement generated over the field on Homecoming night, accelerated by the 14-6 lead Orange Glen took at half-time over their opponent-the Carlsbad Lancers.

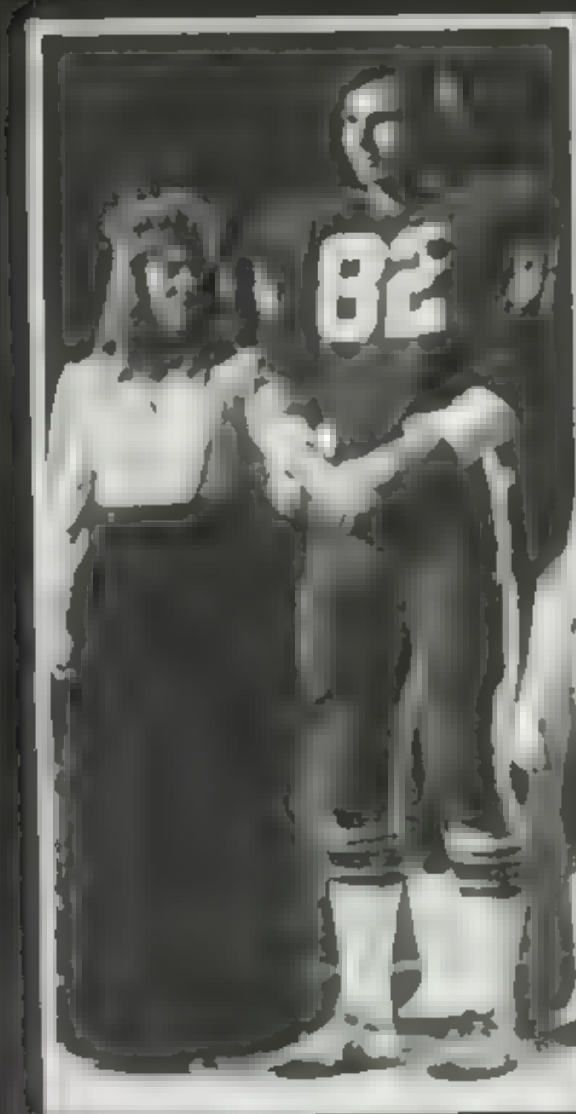

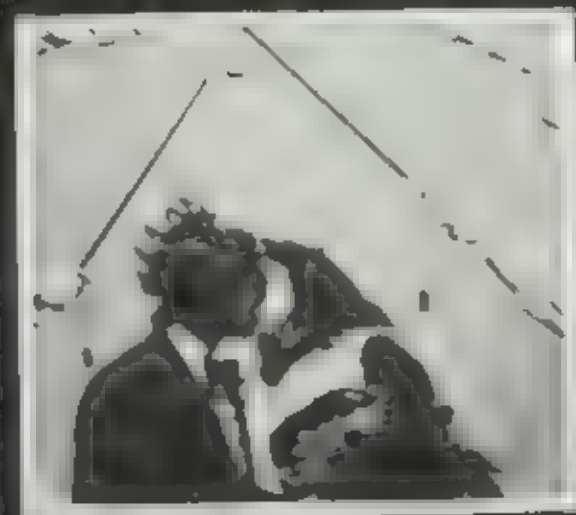

And then the gun sounded the ending of the first half. The outward winning Patriot band marched onto the field playing a medley of songs that

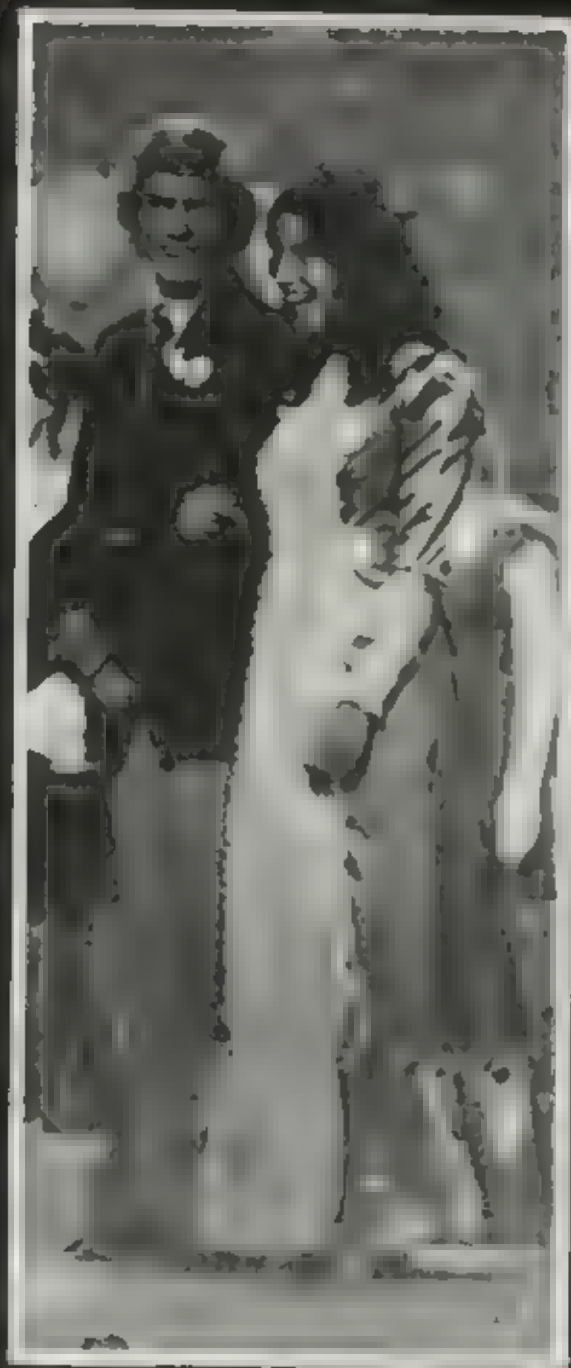

would have Uncle Sam tapping his toe to the beat of the music.

Following the half-time show presented by the band, the crowning of this year's reigning Homecoming court. Freshmen first: Julie Groepper escorted by Jack Dominguez. Then the Sophomore Prince and Princess, Alex Jauregui and Sherri

This year the Junior Varsity Football team closed their season with a total win-loss record of 4-5. Under the guidance of Coaches Jerry Fenton and Paul Moyneur, the team managed to have the second leading offense in the league with 162 points and 2,498 total yards. The offense was lead by yard-gaining running backs, Ron Day, Mark Skomol, Rick Lawson and David Lawson. Quarter-Back Ron Parker did a fine job behind the protection of lineman Chris Hudson and Scott Paradise.

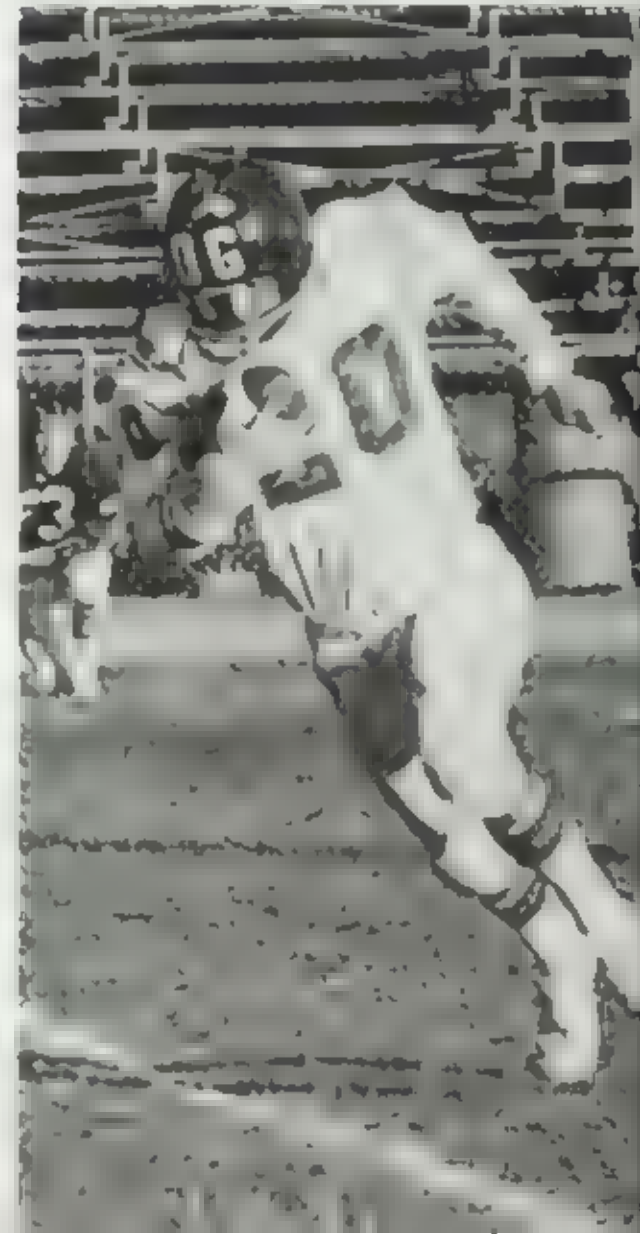

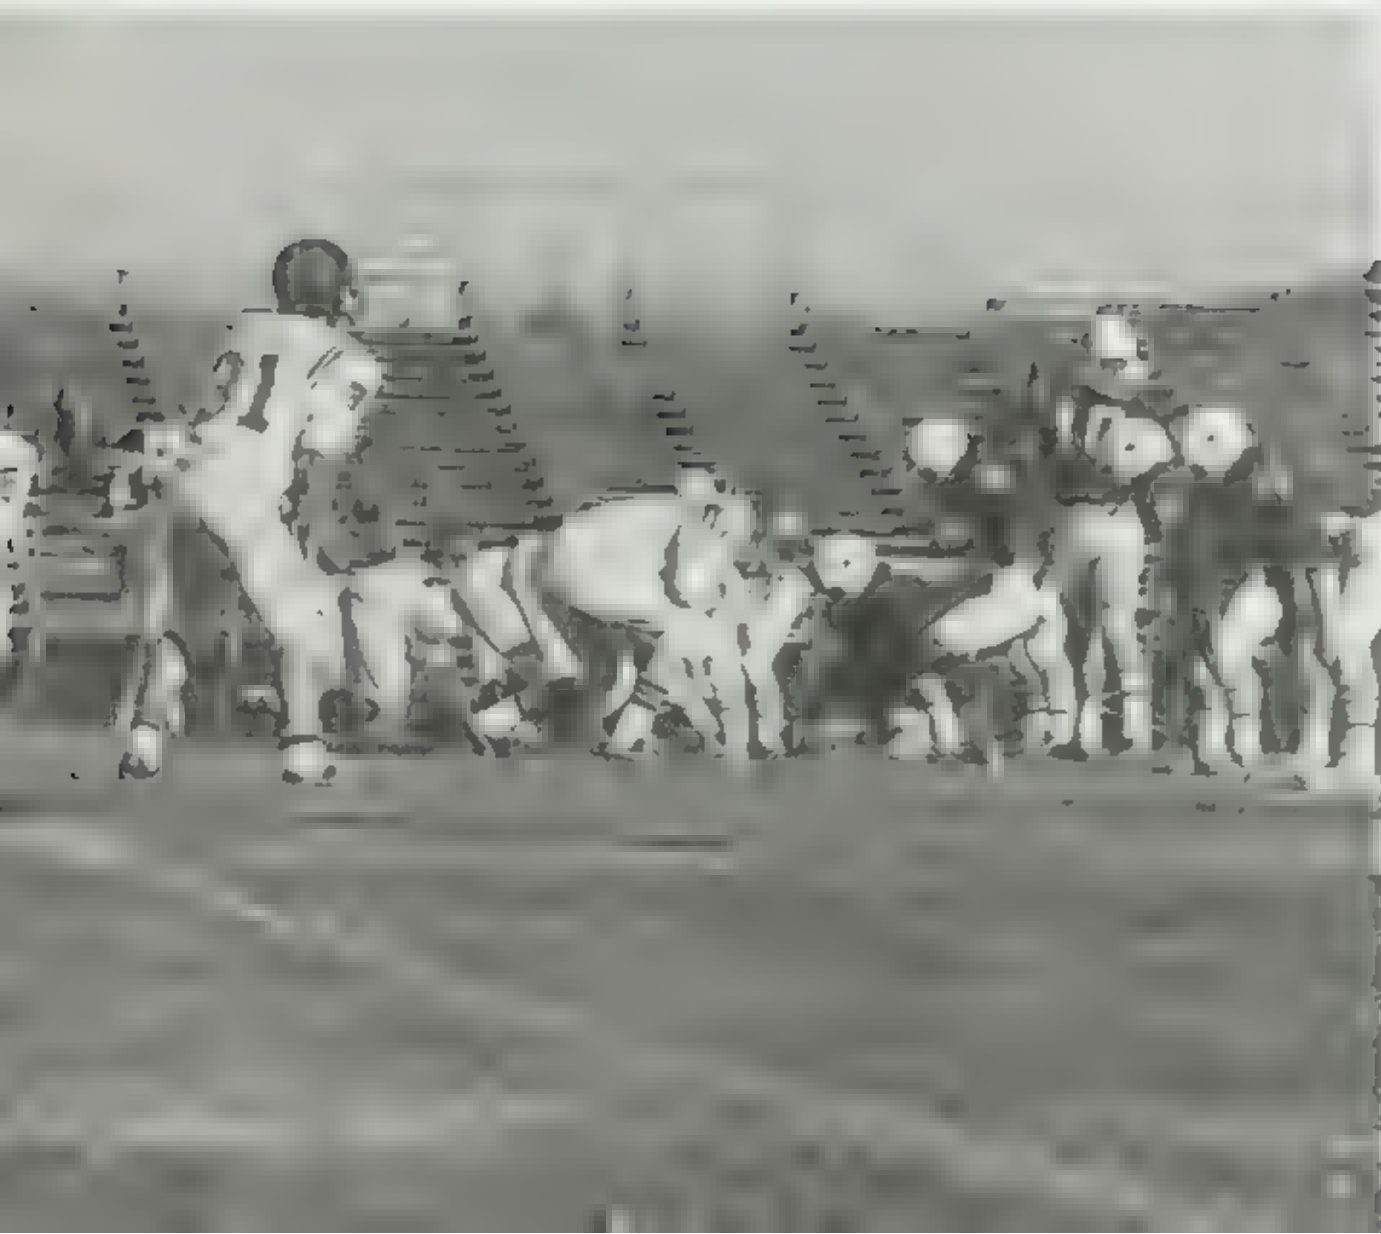

The defense did not put in as good a showing as the offense, but they did do a fine job in stopping San Marcos, Carlsbad and Fallbrook in league games, and Point Loma in a practice game. The main wall of the defense was made up of Dan Conner, Brett Rushing, John Malatich, Keith Breazeale and Mike Latta. This defense was young and next year has hopes of a better record.

*Frosh Keep Pace—
Finish at 5-4-0*

Orange Glen's frosh started slowly with an off and on record. Then after a two-game losing streak, they met the San Pasqual Golden Eagles. The Patriots dominated the game with a 20-6 win.

From the beginning the Freshmen were plagued by tough breaks when one of the starting linemen moved away and Doug Disney was put out for the season with a leg injury.

However, the Patriots made it through the season with a strong offensive line led by Greg West and Jack Dominguez, followed by receivers Joe Early and Wayne Hay. The team also profited by some great plays by Bob Alto, Dan Perkins and Jack Lane. The Frosh look forward to a great year in "77".

Varsity Shows Some Class

The Varsity Basketball Team did not break any winning records this year but their efforts showed the Pats great spirit. There were several major wins in the season. In a very exciting game the Patriots downed San Marcos 58-45. The team also had a well-deserved victory over Carlsbad in which they won 48-45. Team captain Denny Price led the Patriots with his shooting ability. He was aided by Terry Thomas who was the leading scorer. John Ashworth and Joe Smith also did their share of scoring while Nestor Valenzuela did some good defensive work. Coach Merrill did a fine job with a smaller than-average squad.

JV's Never Let Up

The J. V. Basketball Team, under the supervision of Coach Clinger, played well this year. The team showed some of their talent in a game against Oceanside in which they won 68-49.

Jim Box, Denny More, Rick Nordhausen, Rich Stubbs, Tom Toomer, Steve McSpadden and Kirk Betts, along with the rest of the team, did their best to try to make this a winning season.

Fighting Frosh Have Good Year

The Frosh basketball team had a winning season this year under the supervision of Coach Bill Wetzell. The team swept by Escondido twice.

They also had important wins over Washington of Vista, 51-35. Valuable players were Pat Moyneur, Rob Murray, Norbert Miller, Mike Moore, and Dave Wilkinson. The whole team put forth an exceptional amount of effort to make this a good season.

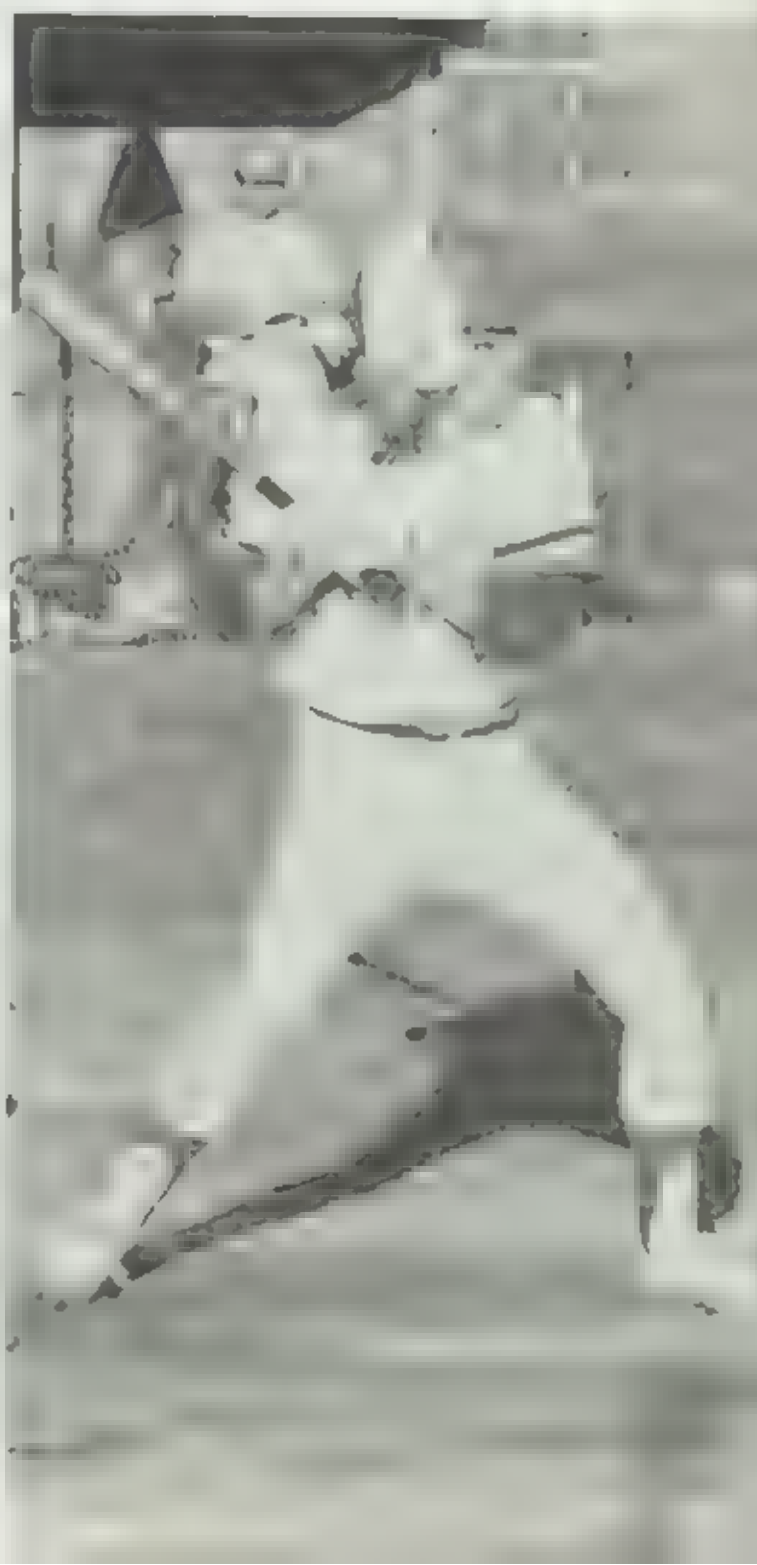

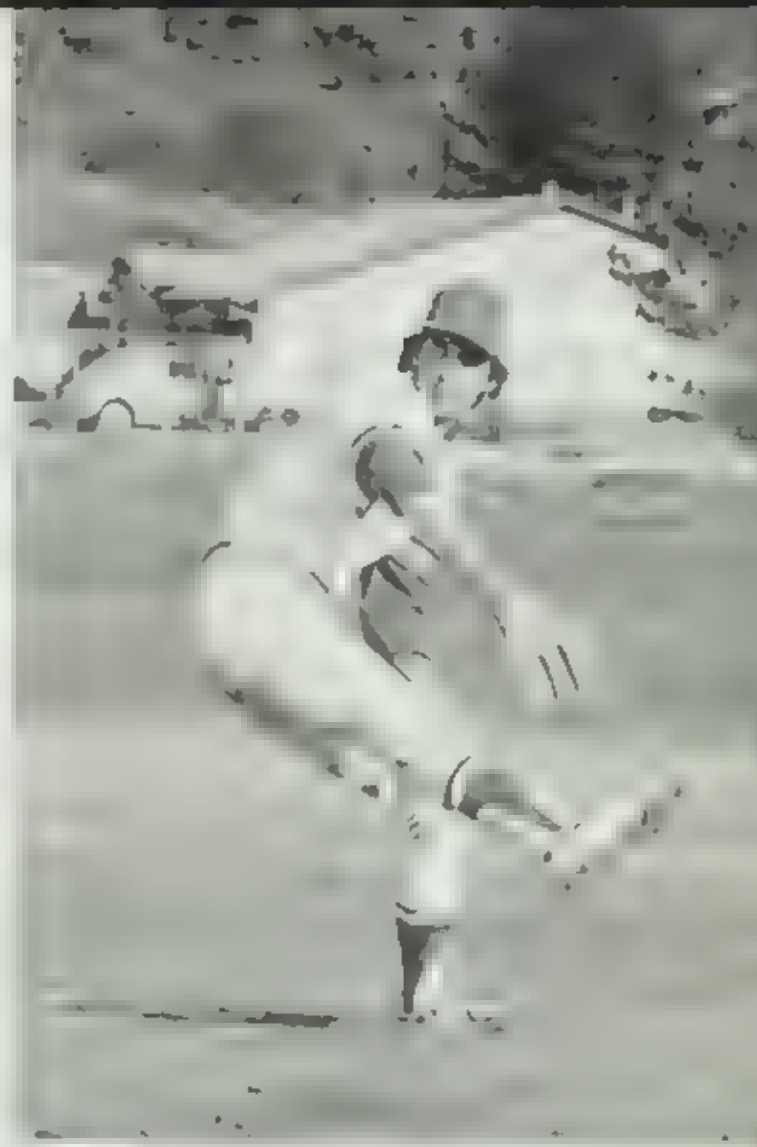

Varsity Nine Strives for Improvement

After a slow start early in the season, the varsity baseball team picked itself up by shutting out Ramona in a 12-0 win. The team this year depended largely on its pitching staff for a good season. Dale Rathburn, a senior, and juniors Bill Sommer and Dana Wafford provided a very strong pitching rotation. The hitting power this year came mainly from seniors Dan West, Paul Eddins and junior Craig Rabner.

JV and Frosh Top Last Year's Teams

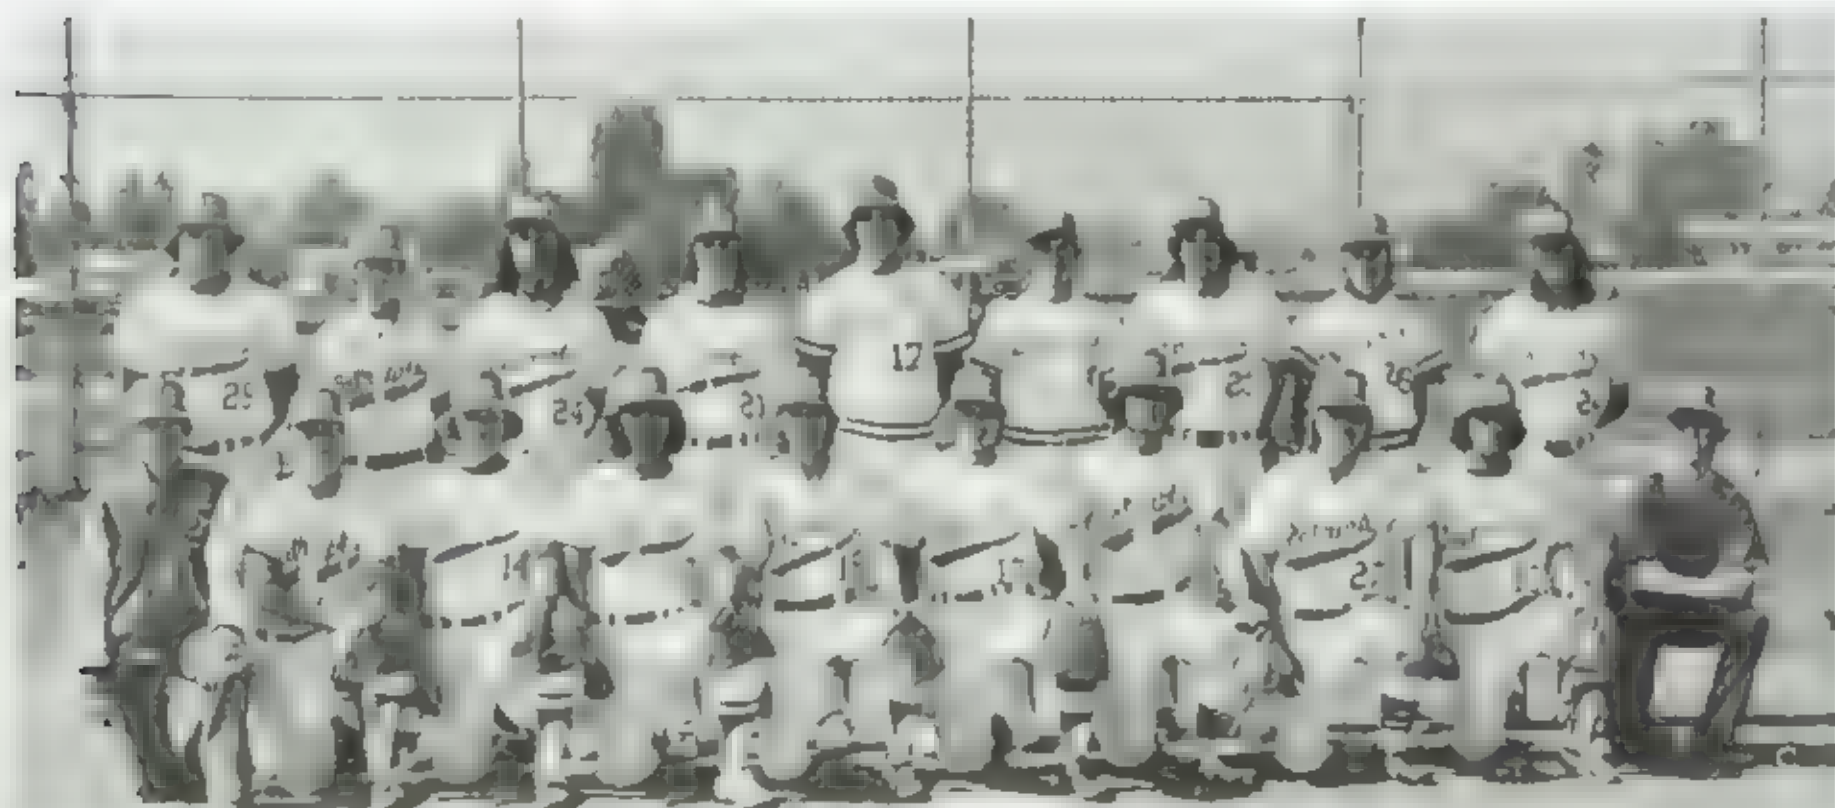

The JV Baseball team has improved significantly over last year's. Some of the reasons for their success were pitchers David Lawson and Albert Snow.

The best hitting came from David Lawson, Larry Sanford, Joe Danna, Jim Ferrin, and Bobby Lemus.

The Freshman baseball team started their season the wrong way by losing two of their first three games. But the mighty frosh never gave up through-out the season.

Greg West did a fine job pitching, and also came through with a strong batting average for the patriots. Also strong bat swings for the freshmen were Joe Valentine and Mike Book. Coaching the first year men was Mark Karges and his assistant Dickie Britian, who is a 1968 graduate of Orange Glen.

The Pats started the season slowly because of a lack of a well-rounded catching rotation. Larry Sanford was brought down from the varsity to catch and proved to be very helpful. Help also came from Don Reiker and Mike Rutledge.

Netters Go for It!

The varsity tennis team started off on top this year after being rated Number One by 'Prep Athlete' magazine. Under the top-notch supervision of Coach Dave Parker, the team showed its stuff by sweeping past Escondido 21-7 in their first pre-league match.

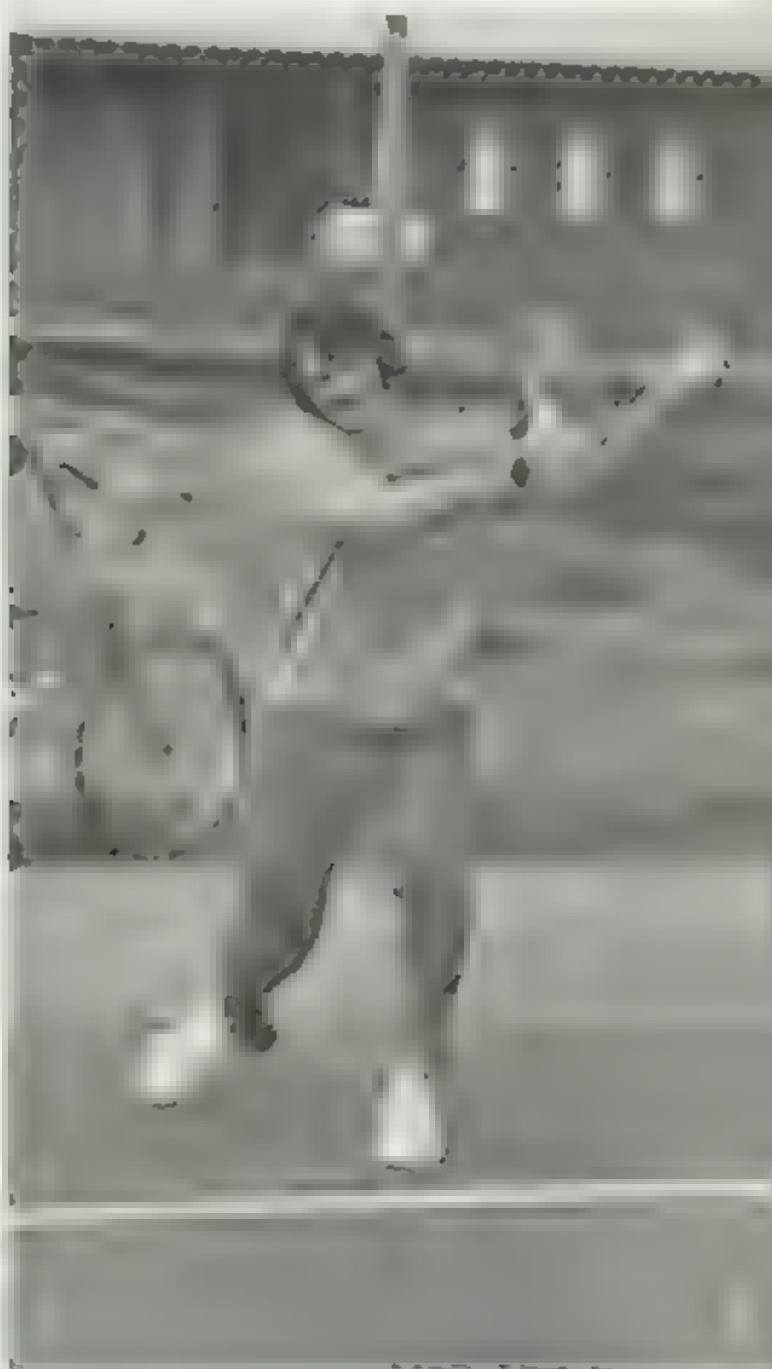

The Pats then hosted a Patriot Invitational tournament and stomped all opponents with no scores under 20 points. The Pats are unmatched in the league in singles with Don Webber and Kai Lodel leading the pack

and Dan Maguire and Steve Beauchamp pulling in those extra needed points.

This year the team has the depth that they lacked last year. One of the reasons for this depth was the doubles. The teams of Mark Lehberg and Mark Skomal and of Clay Beauchamp and transfer-Mike Franklin added the power that was needed to pull in the Avo-League championship.

Water Polo Goes CIF: Third Straight

The 1975 Water Polo team went to CIF for the third straight year. Under the supervision of coach Bill Rutledge the team placed third in the Avocado League. The outstanding efforts of Kai Loedel, Phil Wyman and Roger Nyinski were instrumental in their victories against San Pasqual and Oceanside. The team also defeated Escondido twice. Kai Loedel was named most valuable and was also picked for the All-Avocado League second team as was Phil Wyman. Tracy Strohl was most improved. The team's overall record was 12-14.

Soccer Teams Have Outstanding Year

Varsity and J.V. Soccer sustained another winning season with a large turnout of both new and old players. They blasted their way into their third season of league play. OG won all six non-league games.

Varsity downed Escondido, 4-1, but lost to Fallbrook in a critical game. However a turn-about occurred when they defeated San Pasqual 5-0 and Vista 5-1.

Junior Varsity suffered a crucial loss to injury of players Mike Bush (halfback) and Roger Bowman (goalie). Some of the outstanding games were wins over Vista 3-1, Fallbrook 1-0, and Valhalla, 3-1.

Outstanding players for Varsity were Tim Lopez, Mark Hanson, Jan Holmgren-exchange student from Sweden, Tim Lopez and exchange student from Brazil-Palo Fahel.

Outstanding players for J.V. included Dan Christen, Pat Lausen, Mike Moore and Mike Bonds. Both Varsity Coach Allen Lambert and J.V. Coach Joe Farias are looking forward to next season with many returning players.

Pats Share AVO League Title

The OG Wrestling Team enjoyed a winning season with a 15-5 record. Considered by many to be a long shot for the league title, the Patriots, coached by Mark Karges, surprised the rest of the league by sharing a co-championship with San Pasqual. Some high points in the season were wins against Carlsbad, Ocean-side, and previously undefeated San Pasqual. Midway through the season, the Pats were upset by Vista 26-28 for their only league loss.

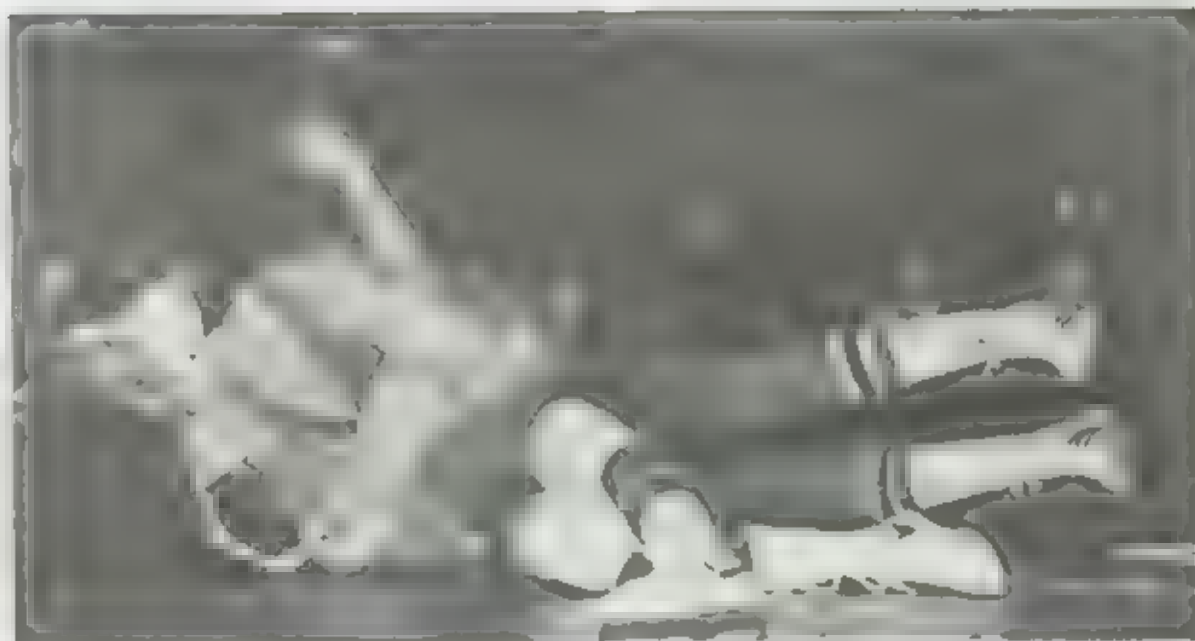

Notable wrestlers were co-captains Tom Childs and Don Cook. Childs was CIF Champ in his division with a 37-1 record. Cook did very well with a 34-4 record.

JV Wrestlers Undefeated

Coach Karges' undefeated JV Wrestling Team ended the season in first place in the Avocado League and also placed fifth in Monte Vista tournament out of 17 schools.

Later, they proceeded to take a second in the Avocado League Tournament in which Armando Soto, Jim Cuning, Chris Hudson, Jim Larzalere and Mike Janssen all placed fourth. Bill Bagby and Mike Kelly placed third. Doug Turner and Jim Winkle placed second and Jack Lane and Don Hansow wrapped it up for the "matters" with first places.

This year's Cross Country was the best in quite a while with a strong team placing third in league competition. Their consistency was surprising with such young runners as Alex Jauregui and Duane Champman, but the strong part of the team centered around runners Tim Lopez, Tracy Champman and Jeff Hutchings. Twenty-one of the 24 runners will be returning. For the first time at Orange Glen a girl has received a letter in a boy's sport. Her name is Barb Geringer and she is a junior.

Girl's Volleyball Team Makes CIF

Orange Glen's girls volleyball team took first place in its pre-season games and the all league volleyball tournament. Though the team lost to Crawford, 15-10, in CIF, it made 2nd place in the Avocado League. The overall league record was 5-2.

The following team members were honored by their teammates for their playing abilities: Sherry Christian, girl of the sport; Lori Becker, most improved player; and Margo Cline, most inspirational.

The girls' swim team came in fourth in league finals. Ann Upson was voted the most improved swimmer, Linda Leisten, the most enthusiastic, and the girl of the sport was Lynne Baker. The team's captains were Tammy Hook and Linda Leisten. At CIF, Varsity went with Lynne Baker, Linda Leisten, Tammy Hook, and Pat Robinson in the freestyle relay.

All of the girls participated in raising money for an O.G. swimming pool. They did things such as having a beach party, a marathon swim and a "hustle party".

Although experiencing a losing season the year of its inception, the girls' JV tennis team finished strong. Led by freshman Mary Lynn Lehberg, the team fought high-ranked Fallbrook to a tie match. The last game of the season, the Pats beat rival San Pasqual on their own courts. Jan Rudolph was voted Most Improved Player while Mary Lynn Lehberg was voted Girl of the Sport.

Gymnasts Leap Ahead

The Orange Glen gymnastics team worked to achieve a winning combination after practicing about seven hours a week into the evening and outside activities to raise money for better and more equipment.

All the practice seemed to pay off after their victory over San Marcos in the first meet of the season.

A. Teresa Domingues gracefully leaps on the balance beam. B. Judy Darling successfully completes a back walkover. C. Julie Neilson accomplishes a perfect back hand-spring. D. Heidi Overman shows good form on parallel bars. F. Carol Eade poses while doing the splits on the balance beam.

Top Row: Patricia Barker, Erin and Lauren, Linda Cross, Jan K. Smith, Winnie Davidson, Cheryl Cooper and Kelly Hayes. The coaches are Mrs. Nichols and Ms. Gola. ~~Patricia~~ Wendy Winkler blocks opponents shot attempt.

Field hockey is a very exciting and challenging sport. The Orange Glen girls' field hockey teams play ten games, five league and five non-league. This sport resembles ice hockey, except it is not played on ice but on a rectangular field. There are eleven people on each team.

The object of the game is to hit the small, hard, rubber ball into the opponent's four-foot wide goal cage. Field hockey isn't a very high-scoring game. They usually make about 0-3 goals in a game. The captain for the varsity team is Chester Westerlund, while the co-captain is Nancy White. On the j.v. team they rotate captains for each game. The two coaches are Jackie Nichols and Lynn Gola. The girls hope that Mrs. Nichols and Ms. Gola will coach together again next year.

Bottom Row: Carol Bettys, Sue Shultz, Suzanne Lahr, Debi Weber, Alana Gabriella. D. Olga Hernandez is running to 3rd base from a hit made by Gayle Clanton.

The Orange Glen girls' softball team consists of 13 players on J. V. and 15 players on Varsity.

"Although our season did not indicate a very strong team, we played some very close and exciting games," said Coach Maloney.

The girls confidence, spirit, good sportsmanship, and most of all, their love for the game continues to keep this sport together in both mental and physical attitudes and outlooks.

The two people who handled the coaching for J. V. and Varsity were Mr. Georgin and Ms. Maloney. For Varsity defensively, the strongest and most consistent player was third baseman Olga Hernandez; and offensively, the big stick at the plate was Lori Becker, batting .667 at mid-season.

Girls Basketball Shows Promise

The Varsity basketball program is under the supervision of Nancy Shields. The girls suffered an early season loss against Ocean-side but coach Shields feels that they are a strong and promising team.

There are fourteen players on the girls J.V. basketball team. This is the first year the J.V. has had a coach of their own. Mr. Bree, the coach, says, "I believe that our team has a lot of potential, and it's one of the Best I've ever had."

Student Life...

Activities Explored

The days were young and carefree,

Spring was in the air.

We studied under the sunshine,

And laughed without a care.

Those days have passed too quickly,

And yet we realize

The shadows of their passing,

Have formed our very lives.

Tamara L. Howard

Students Recall Past With Fondness

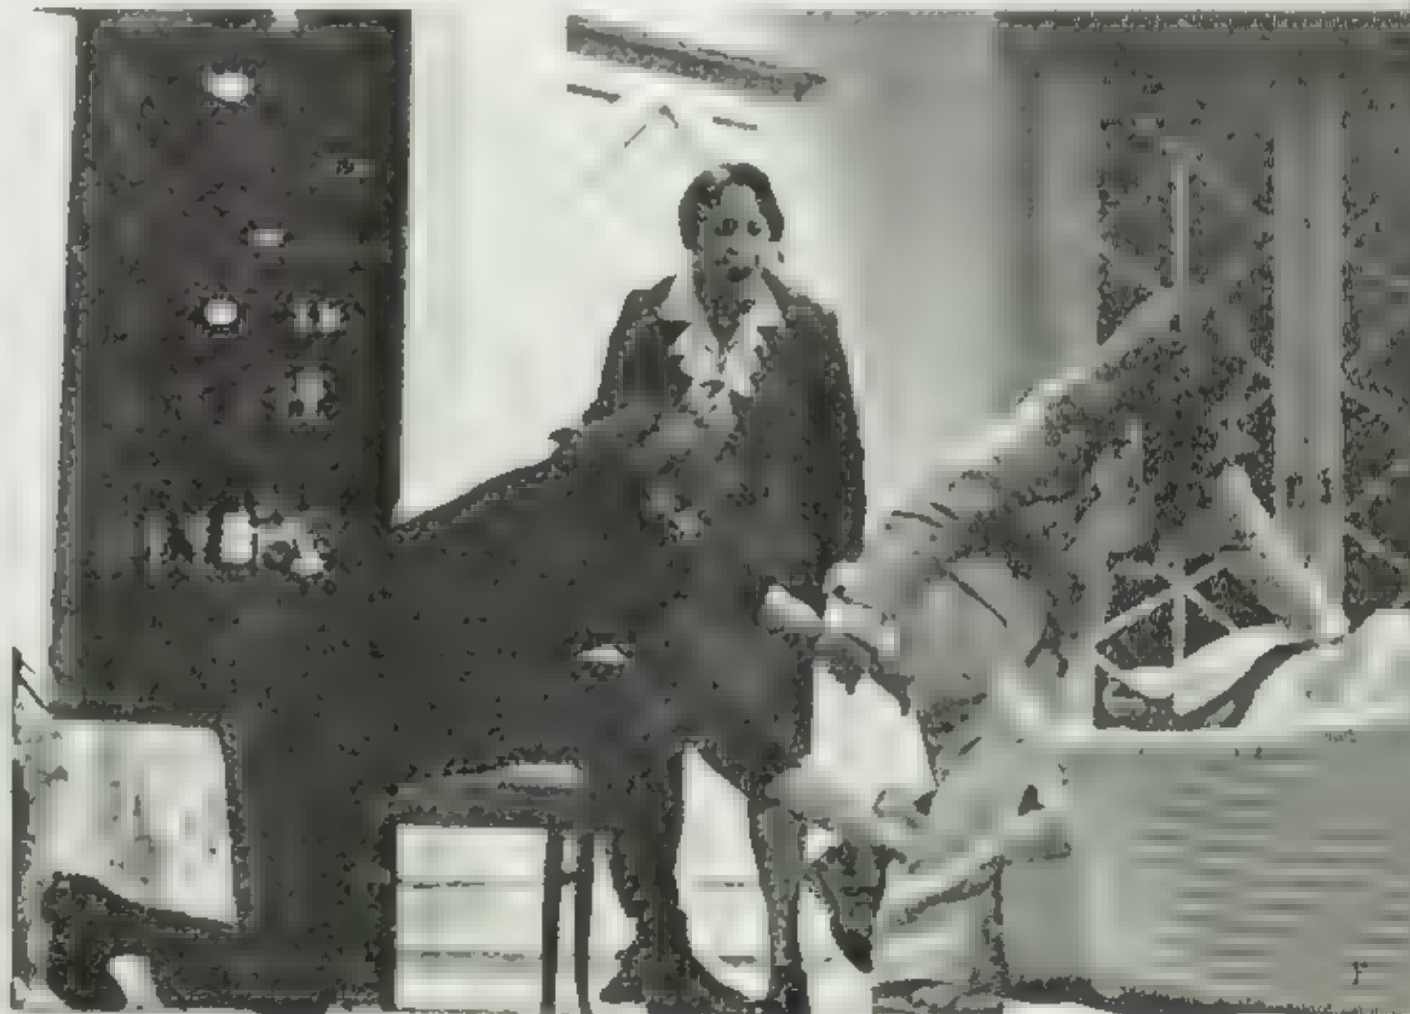

The days slowly drift by us, but there isn't a day that goes by that we won't remember some special event or activities that we participated in during our high school days.

The gathering together at lunch-time to buy a slave, making plans for dress-up day, going to the assemblies or sending a Val-O-Gram to that special someone will be some of the activities that will remain special to us, not because we participated in these activities, but because, through them, we can have our very own special memories of our high school days.

A. Joe Smith sits contemplating the day's schedule. B. Foreign Exchange students admire the scenery around the campus. C. Olga Hernandez and umpire both signal a touchdown at the Girls Powder-Puff football game. D. The Orange Glen NJROTC Program stands at attention as greeted by commanding personnel. E. Tammi Henri and Van Hoppler talk briefly with friends before class begins. F. As the show goes on, the drama class gets deeply involved.

Learning: A Process of Creating Individuals

Remember when we were sitting at desks longing to get out in the sun and the clean air. It seems that all we could think about was either the beach and surfing, or the snow and skiing, depending whether we were a winter or summer person.

And yet, now that our high school days have ended, we will reminisce about sitting in the "good old school rooms," talking and yes, learning too. Although we may not have realized it then, this learning of new ideas and techniques helped to form us as separate individuals; ready to conquer any trouble we may have in our future lives ahead.

B

A. Mrs. Jacques Humanities class enjoys a break from the daily routine, as guest speakers talk to the class. B. Anita Landis talks to friends while waiting for the day's assignments to be given. C. Enthusiasm was the catchy spirit, as students participated in the dress-up day dance at lunch time.

New Trends Affect Jrs.

Becoming an upperclassman is a big step in the life of an student. Along with the traditional signs of growing up such as receiving a driver's license, taking history classes, and attending the prom, a new option was given to Juniors. Co-educational volleyball, tennis, gymnastics, paddle-ball and even football were included in the regular curriculum. The program was ten weeks underway when Physical Education instructor, Ms. Shields, made these comments: "The co-ed program has proved very successful. The other teachers and I are looking for new ways to make the program even more attractive because it is very healthy for boys and girls to get along in a competitive way. I predict that within two or three years co-educational classes will be offered to all grades."

Sports was not the only area that took a change for the better. The A.S.B. cabinet wrote a new Constitution to eliminate the massive congress which was ineffective in the past. Ika Stosic, Bridgid Moriarty, Sherry Christian, Tina Tapia and Patty Kuntz were five eleventh-graders who were elected senators October 17. The job of these people was to make major decisions.

Much was done by students and teachers to make a fulfilling junior year for many.

Juniors Accept New Challenges and Roles

This year's Junior Class President was Debbie Watson, and the Junior Class Whip was Carol Bettys; with these two in congress the juniors were one of the most active classes on campus. In fact, Debbie believes that the "Junior Class is a hard working and the most-spirited class on campus." Some of the fund-raising activities that the juniors sponsored were bake sales, a car wash, Santa grams and the Ice-Breaker Dance.

CLASS of 77

Sophomores Looking Ahead

Memories of our high
 school years,
 Memories of our friends,
 Funny how they disappear,
 It's sad they have to end,
 The other years will fly by
 too,
 Just as the one before;
 Think of all the memories
 that are in our hearts to
 store.
 Happy days along with sun,
 Gloomy days with rain;
 Saying all those special
 things,
 Think of all the things you
 gain.
 Two more years we'll have
 left,
 So let's try to make them
 good,
 Let's always stick together
 and do the things we should.
 Memories of our Orange
 Glen years,
 Memories of our friends,
 Funny how they disappear,
 It's sad they have to end.

Memories of our sophomore
year, memories of our
friends; funny how they
disappear, it's sad they
have to end...

Freshmen Show Enthusiasm at O.G.

This year has been a unique experience for our new-comers at Orange Glen. After surviving the course of registration, and getting over the realization of actually being in high school, everyone got right into the swing of things.

Starting the year out, the Freshmen readily participated in everything from Spirit Week and Dress up Day, to supporting our athletic events with their great enthusiasm.

— your home-owned independent bank

Your home-owned independent bank is dedicated to serving the best interests of the community and its residents. Only a home bank can do this without looking to a headquarters local or elsewhere for permission or approval on every decision it makes.

The officers and staff of the Escondido National Bank know the area, understand its problems, having lived and grown up with them — and they are devoted to fulfilling your every banking need with the utmost courtesy and efficiency.

A GREAT DAY!

The day on which a worthwhile goal is achieved is certainly that: a great day!

High school Commencement is one such day—and to all our high school graduates, congratulations! Your goal has been an important one, and in its accomplishment you, your parents and your teachers are justifiably proud.

But—note that word “Commencement”! Now you really commence to climb—more formal education, first steps in a career, new levels of knowledge and understanding.

So again, congratulations—and many Great Days ahead!

Students Explore Activities

Outside activities occupy more of our time during our years in school. And along with the many diversified interests in High School there are many diversified outside activities to occupy our time.

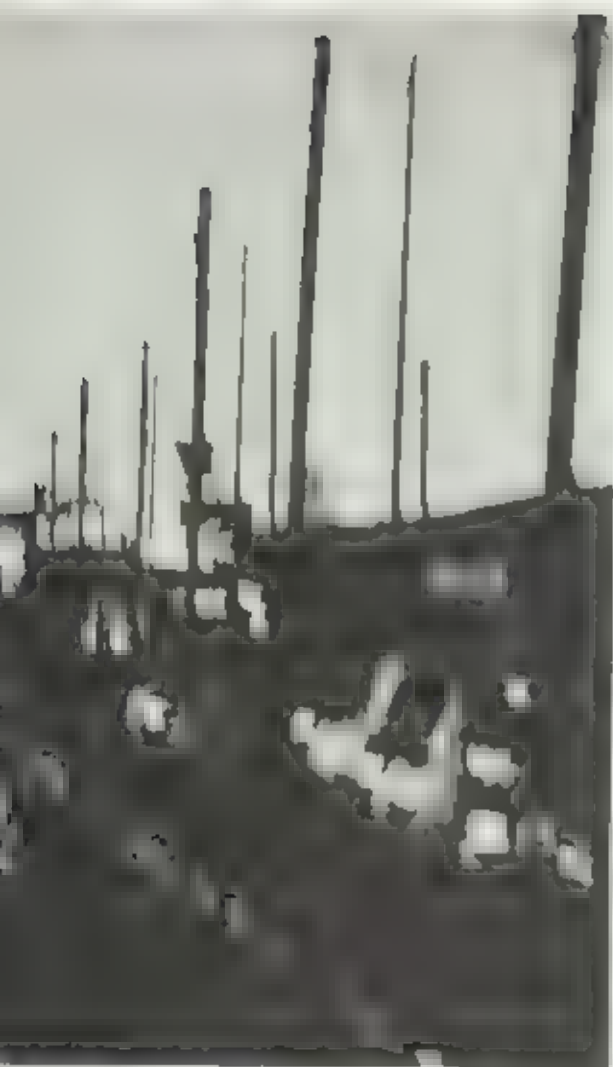

During the warm summer months and the California spring, it is not unusual to find many friends along Moonlight, Solana, or Torrey Pines or many of the other beaches along the southern California shore line.

During the fall and winter months many people swarm to Palomar and the outlying areas to romp in the snow.

And year around it is possible to find motorcycles and dune buggies being loaded in the back of a truck in preparation for a trip to the dessert. When it is not possible to travel to the mountains, desert, or beach areas, a quick cruise down Valley Parkway on Friday or Saturday night is an easy way to make new friends and see alot of old ones.

Mat Pats a Welcome Addition

This year the wrestling team had an added attraction -the "Mat Pats." It was the first year that Orange Glen High School has ever had such a squad.

The Mat Pats had to be judged in front of a board which consisted of wrestlers, coaches, Mrs. Boldt (head supervisor) and Mr. See.

The ten girls that won the title of "Mat Pats" then went on to make their uniforms. These girls along with the cheerleaders, helped induce some spirit and excitement to the wrestling matches and tournaments.

Reflections

The sun glistens on the dewy lawn
Making diamonds rise.
Suddenly you're on your own
No worrying, no caring,
That far away look in your eyes.
You've come to your own secret place;
Green grass meets waters blue,
You sit down with a smile
Reminiscing days gone-by, recalling friends so true.
Looking out upon the water
Seeing clearly seeing straight
Wondering what will become
After all your work is complete
And your day is done.
Carefully now, without interruptions
You think of the world at past,
Examining each circumstance
As if it were your last.
Time breaks in upon your thoughts
Disspelling your reverie,
Gladly you embrace the day
Knowing the strength and wisdom of memory.

Memories of Youth—Cherished Forever

We close the pages of this book feeling peaceful and tranquil inside; and yet, as we do, there are memories that can never be forgotten. Our high school years--the endless days and nights of homework and studying, the thrill of a good football game, and the activities that went on both in and out of school will always be cherished as our own little "treasures" of our youth. Let us all remember that just because one year is over and the book has come to an end for this year, there are and always will be new additions to add to our own book of life and these are ours to keep forever.

[illegible][illegible]

I would sincerely like to express my appreciation to all of the faculty and students here at Orange Glen High School. You made it possible for me to fulfill a dream. A dream of being the editor of my class yearbook; and sharing a part in creating memories. I would also like to express my thanks to Mr. Calen Kuchtaast (Yearbook Advisor), for the faith and trust he had in my work and in order to see it through. Without your help and support I wouldn't have been able to do it.

Looking back on these past four years, I realize I have learned things that will be forever valuable to me. I will always remember with fondness the teachers and friends who helped me along the way.

I wish all of my graduating class, and the graduates of tomorrow, happiness and success in the future. May everyone seek and find the beautiful things in life.

Thank You

Torren A. Howard

1975-76 Torren Editor
